Elevating MYOTHERAPY

WHY ELEVATE?

Welcome to Elevating Myotherapy 2023.

Get ready to soar to new heights as we present the most exciting event of our year – the 2023 Myotherapy Conference, proudly presented by Myotherapy Association Australia.

Why Elevate you ask? Because we believe it's time to take your practice, your skills, and your career to new levels of success and fulfilment. This conference is designed to empower you with the knowledge, tools and inspiration you need to reach the pinnacle of your Myotherapy journey.

We have the opportunity right now to take Myotherapy to new levels and elevate the future of the profession through innovation, collaboration, removing barriers and creating community.

Join us as we bring together an extraordinary line up of experts, industry leaders and creative visionaries who will share their insights and innovative approaches. From exciting new understandings in neuroscience and pain, from advanced assessment techniques and treatment to your own personal growth as a practitioner. This is your opportunity to discover what it truly means to elevate the world of Myotherapy.

But it's not just knowledge – the 2023 Myotherapy Conference promises an exciting atmosphere of collaboration, networking and personal growth. Connect with like-minded professionals, exchange ideas, and forge connections that will fuel your success long after conference ends.

And that is not all! This year for the very first time we will be hosting a post-conference cocktail event. Join us as we raise our glasses to honour the outstanding achievements in the field of Myotherapy and announce the recipient of the Toni Moynihan award. Join us as we celebrate the achievements of those nominated and our winner and applaud all the exceptional talents that shape our industry. The evening will be an opportunity to unwind, connect with fellow attendees and reflection of the knowledge gained during the conference.

So, get ready to embrace the future of Myotherapy, expand your horizons and be part of a dynamic community that is committed to raising the bar together.

Tickets are limited and demand is high. Secure your spot today and get ready for a return of the face-to-face Myotherapy conference. Now is the time to evolve and explore the possibilities. Elevate your practice, elevate your skills, elevate your career – the time to rise is now!
