

MAKING THE SWITCH IS EASY

Congratulations on taking the first step in making the switch to Australia's leading and only myotherapy specific Industry Association.

Myotherapy Association Australia (MA) remains Australia's only association dedicated solely to the needs of myotherapists and Myotherapy profession.

So you are considering switching over? What happens now?

The following steps should be taken:

Step 1: complete the online membership application form at [Membership Application : Myotherapy Association Australia](#)

NOTE: When completing this online application form, it is important that you select YES when asked if you are currently a member of another association, if you have existing Medibank or BUPA Provider numbers.

STEP 2: Once your online application is complete our office will receive this to review eligibility.

STEP 3: Your application form will be processed, and your credit card billed. You will be added as a new member to our database and allocated a new membership number. You will receive your new member pack via email, outlining all your member benefits. Your Liability and Indemnity Insurance is all part of your membership. See more about your BMS insurance [here](#).

Remember, you will need to provide our office all your existing practice details for us to have your provider numbers reinstated with MA.

What happens to my provider numbers?

The Association will contact Medibank Private, BUPA, Aust. Unity and AHM advising that they restart your existing provider numbers with the Myotherapy Association.

Note: You can contact your current association to advise them that you would like to cease your membership with them*. You can also contact your current Insurer to cancel your existing policy should you decide to maintain ONLY the policy that is inclusive with your MA Membership [see policy here](#))

**You may wish to contact to your current association to determine if you are entitled to a pro-rata amount rebated for terminating your membership early. This is solely at the discretion of your current Association.*

If at any time you have any problems with patient's claiming your services with Medibank, contact our office immediately and our staff will email the Health Fund to have the issue resolved asap.

Is there an administration fee that applies when upgrading my MA membership levels?

No.

If I cancel my MA membership and re-join later, do any fees apply?

Yes. If you re-join within 12-months of having deferred your MA membership, a \$75(inc. GST) fee applies.

If you have any further questions with regards to membership with the Myotherapy Association Australia, please contact our team at admin@myotherapy.org.au or call our office at 03 9418 3913
