

TAC Petition Form

Members wishing to exercise their right to petition the TAC for consideration of Myotherapy being recognised as a funded 'authorised rehabilitation service' can complete this form and MA will lodge these. Petition forms may be submitted by mail or electronically as specified below.

I, _____(name), wish to express my support for the petition to the TAC to consider the addition of Myotherapy as a funded practice.

My reason for supporting this petition is:

- I have been a victim of an accident as covered by the TAC and Myotherapy was an effective service to aid my injury management

Optional - My TAC Case Number is: _____ The date of my injury was: ____/____/____

or

- I am a Myotherapist and my practice has serviced clients covered by the TAC and this service was effective to aid their injury management

or

- I am a Myotherapist who has researched evidence based practices and utilise these in my Myotherapy service which would be beneficial in empowering the injured person to manage their injury.
