

Have you considered becoming an MA Committee Member? Learn who we are and what we do:

The Myotherapy Association Australia is always keen to receive expressions of interest from members with suitable skills and experience who are interested in being part of one or more of its committees or a member of our Board of Directors.

Many of the Myotherapy Association Australia committees have been refreshed and we are seeking to involve interested members who are keen to make a constructive difference to the profession of Myotherapy.

Events and Conference Committee.

Objectives:

- To plan the program and support the delivery of the MA Annual National Conference for MA members, non-members, myotherapists and other allied health and medical practitioners throughout Australia;
- To plan the program and support the delivery of MA Workshops;
- To plan the program and support the delivery of MA Seminars;
- To plan the program and support delivery of MA AGM;
- To consider other events throughout the year to support MA members.

Professional Development Committee

Objectives:

- To provide and support professional development opportunities for MA members, myotherapists and other health professionals throughout Australia;

- Allocating PDP Points to professional development events as part of the MA Professional Development Program requirements and in-line with the MA PDP Guidelines.
- Review and recommend changes to the MA PDP Guidelines;
- Expand and develop new professional development opportunities for MA members in partnership with government, industry leaders and professional development providers;
- Review requests and appeals by members and presenters for PDP allocation.

Membership Committee

Objectives:

- Make recommendations to the Board on activities to promote membership;
- Support the CEO in the development of strategies to recruit new members, retain current members and engage the membership in advocacy, promotion, and development of the profession and industry;
- Advise and make recommendations to the Board on any issue relating to the provision of services to individual members;
- Provide advice and recommendations to the Board concerning membership needs.
- Engage with current and future myotherapy training providers and educators

Advocacy Committee

Objectives:

- Make recommendations to the Board on advocacy activities to promote Myotherapy;
- Advise and make recommendations to the Board on any issue relating to the provision of advocacy activities;
- Provide advice to the Board and CEO concerning the priority advocacy required for MA to pursue to benefit Myotherapists.
- Undertake appropriate activities to promote advocacy on behalf of MA, in conjunction with the Board, CEO, and other MA members.

Want to be an integral part of making a difference for myotherapy? Email us your expression of interest, indicating which committee you are keen to participate in at admin@myotherapy.org.au and the committee chair will reach out to discuss your EOI further.
