

Congratulations on considering to make the switch to Australia's leading and only myotherapy specific Industry Association.

The Myotherapy Association Australia (MA) remains Australia's only association dedicated solely to the needs of myotherapists and Myotherapy profession.

So you are considering switching over? What happens now?

The following steps should be taken:

Step 1: complete the online membership application form at <https://members.myotherapy.org.au/signup#>

NOTE: When completing this online application form, it is important that you select YES when asked are you currently a member of another association, if you have existing Medibank and/or BUPA Provider numbers.

STEP 2: Once your online application is complete our office will receive this to review eligibility.

STEP 3: Your application form will be processed and upon payment you will be added as a new member and allocated a new membership number.

What happens to my provider numbers?

The Association will contact Medibank Private and advise that they restart your existing provider number with the Myotherapy Association.

Note: YOU are required to contact your current association to advise them that you would like to cease your membership with them*. You are also required to contact your current Insurer to cancel your existing policy should you decide to maintain ONLY the policy that is inclusive with your MA Membership ([see policy here](#))

**You may wish to contact to your current association to determine if you are entitled to a pro-rata amount rebated for terminating your membership early. This is solely at the discretion of your current Association.*

It is best practice to also contact Medibank Private to advise that you have joined a new association.

Is there an administration fee that applies when upgrading my MA membership levels?

No.

If I cancel my MA membership and re-join later, so any fees apply?

Yes. If you re-join within 12-months of having deferred your MA membership, a \$75(inc. GST) fee applies.

If you have any further questions with regards to membership with the Myotherapy Association Australia, please contact our team at admin@myotherapy.org.au or call our office at 03 9418 3913
